OK

Dear all,  
Hope you had a safe trip home.

Here is the link to the instructions for authors, see mid-page for the discussion on citations: <https://www.ecologyandsociety.org/about/submissions.php#intext>

I am also attaching the following documents:

- Two articles as examples;
- Harvard citation guide;
- My attempt at applying the citation guide.

I look forward to your comments and suggestions.

Have a great day!

Sincerely,

Olga
